"in the wilderness
we find loneliness,
in the sea
we find ruggedness,
in the sky
we find freedom . . .

in man
we find
togetherness . . .”

This page; upper left; Mrs. Tucker; Upper left, Mr. Kent; Lower right, Mrs. Dulcich drops by to see Mr. Stoel and see if things are still running without her.

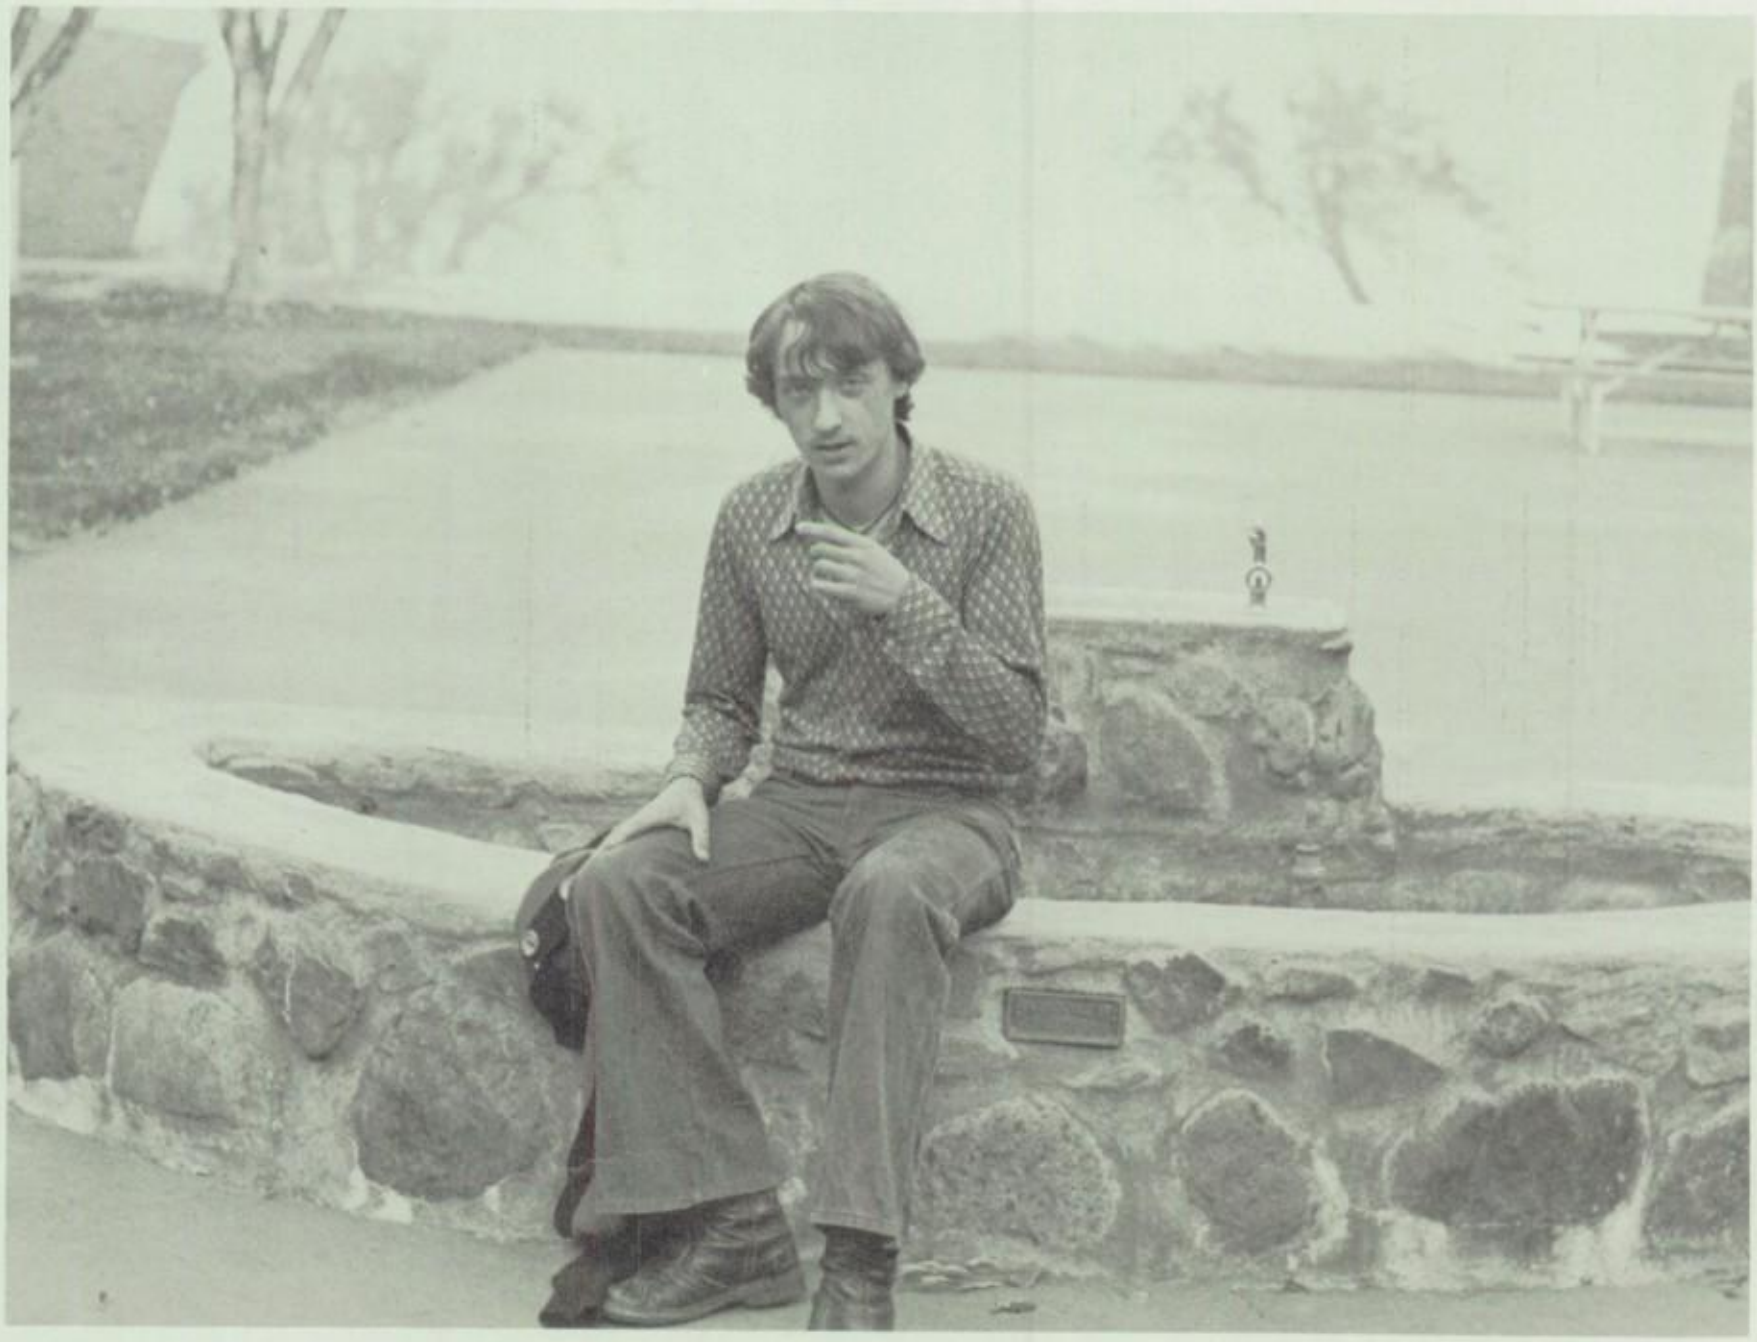
Mr. Kent's Message for us: "The entire community should be involved in student activities, as the most successful student endeavors are those which have a broad student, faculty, and community participation in their program."

Counselors Care Enough to Counsel

Counselors help students determine long range goals and career plans as well as semester class schedules. Both counselors also teach and are actively involved in extra curricular activities. Mr. Bassemeir at right, is one of the Junior Class Advisors as well as the Industrial Arts teacher. Mrs. Eppler below, is coordinator of the new Leadership Class and is advisor for the Cheerleaders and Songleaders and accompanies them on all of their travels.

Pam Lincoln is Career Technician and does a lot of tutoring in the counseling center. Pam also pitches in to help with plays and musical productions and helps out whenever she is needed.

New Experiences For Foreign Exchange Student
We Welcome Hans Frei Of Germany



During the month of September a Foreign Exchange Student came to M.C.H.S. His name is Hans Frei.
Hans came to us from West Germany. He is living with the Heath family in Greely Hill.
Hans has two older and two younger brothers. His father, Mr. Frei, is the Vice-President for a clothing manufacturing company. His mother sometimes works along side her husband.
He enjoys hiking, mountain climbing and looking at girls. He also enjoys all kinds of sports in his spare time.

Student Congress Gets Involved

The student body officers this year were Pres. Tracy DeSanders, Vice Pres. Marc McNally, Sec. Tammy Sperry Paige, and Tres. Paula Hopper. Tammy had to leave at the middle of the year so a new election was held. Debbie Sims was elected secretary.

Student Congress is getting involved with many projects this year. They plan to update the school constitution and budget. Congress also plans to sponsor a leadership camp and train students to become small group leaders.

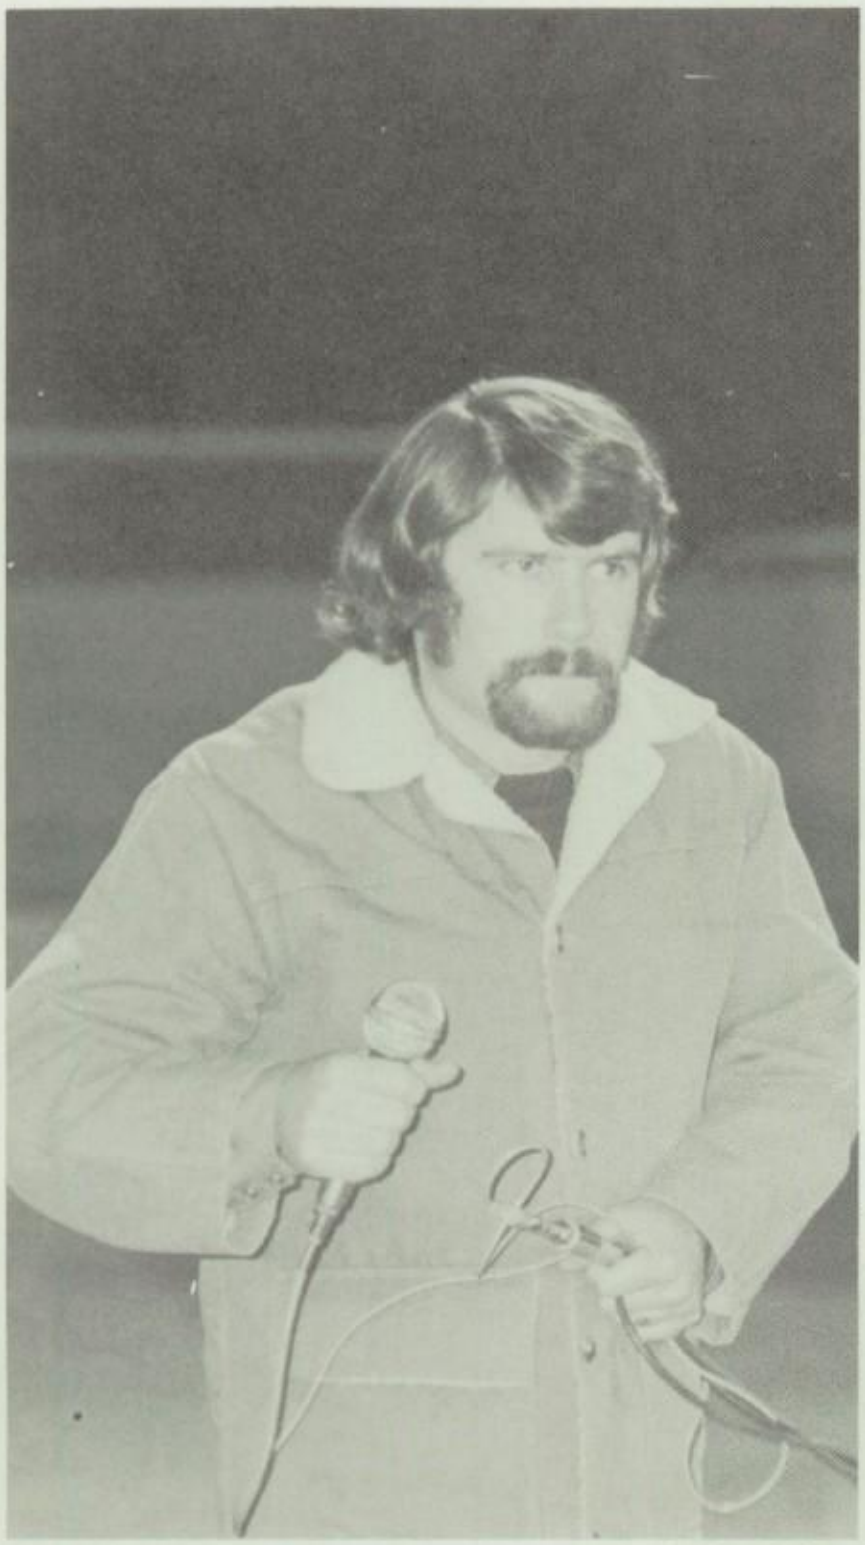
Themselves and the World

Language Teachers Help Students



This year MCHS contracted for two new English teachers. They are Laura LaNotte and Fran Solomon who teach Comp. A, Oral Expression and Reading.

With us again this year are Mrs. Bryant-Spanish and Basic English; Mrs. McGregor-Comp. A, American and Reading Literature; Mrs. Miller-French, Speech and Oral Expression; Mrs. Skelton-The Bible as Literature; Mr. Turner-Drama, Shakespeare, and Reading.

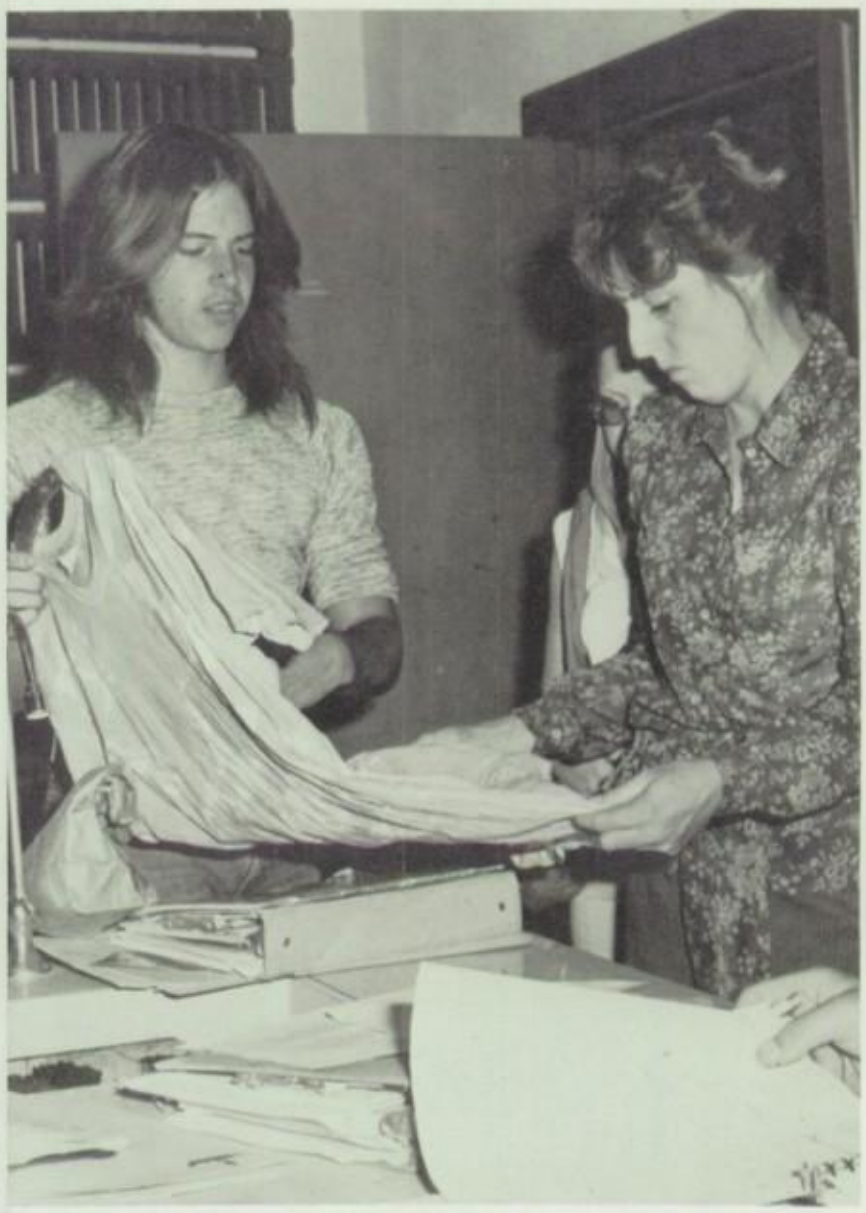
Music Department Has a Successful Year

This year Mr. Bruce Williams joined the staff of our music department as band teacher. The bands have done an outstanding job preparing for marching and concert band competitions. A new organization, stage Jazz band, has also done very well entertaining at school activities.

The choir, under the direction of Mr. Fiester, performed the traditional Messiah again this year. This year's musical production was the ever-popular "Oliver". A variety of productions including the Spring Concert and annual Merced Competition were also performed.

Arts and Crafts Students Show Individuality

Above left; Mrs. Skelton works with students. Below right Mr. Vegely demonstrates ceramics techniques.



The Art department's facilities were again improved this year with new sinks and table tops. Enrollment and interest in classes continues to grow, with Mr. Vegely teaching Crafts B (leather and slip casting of ceramics), and Mrs. Skelton teaching a variety of art and crafts classes emphasizing creative work. Students again furnished publicity posters and programs for school functions and painted the windows downtown at Christmas.

Caution: Driver Trainees On The Loose!

Drivers Education taught by Mr. Hayes, teaches the rules of the road, and driving safety.

Driver Training jointly taught by Mr. Hayes and Mr. Church gives the students actual driving experience on many different kinds of roads.

Driver Training fulfills the state requirements fo 6 hours behind the wheel and 9½ hours observation.

In order to get a drivers license or a driving permit, you must pass Driver Education and Driver's Training.

It takes a lot of nerve to teach this class. Our congratulations to the faithful teachers who survive.

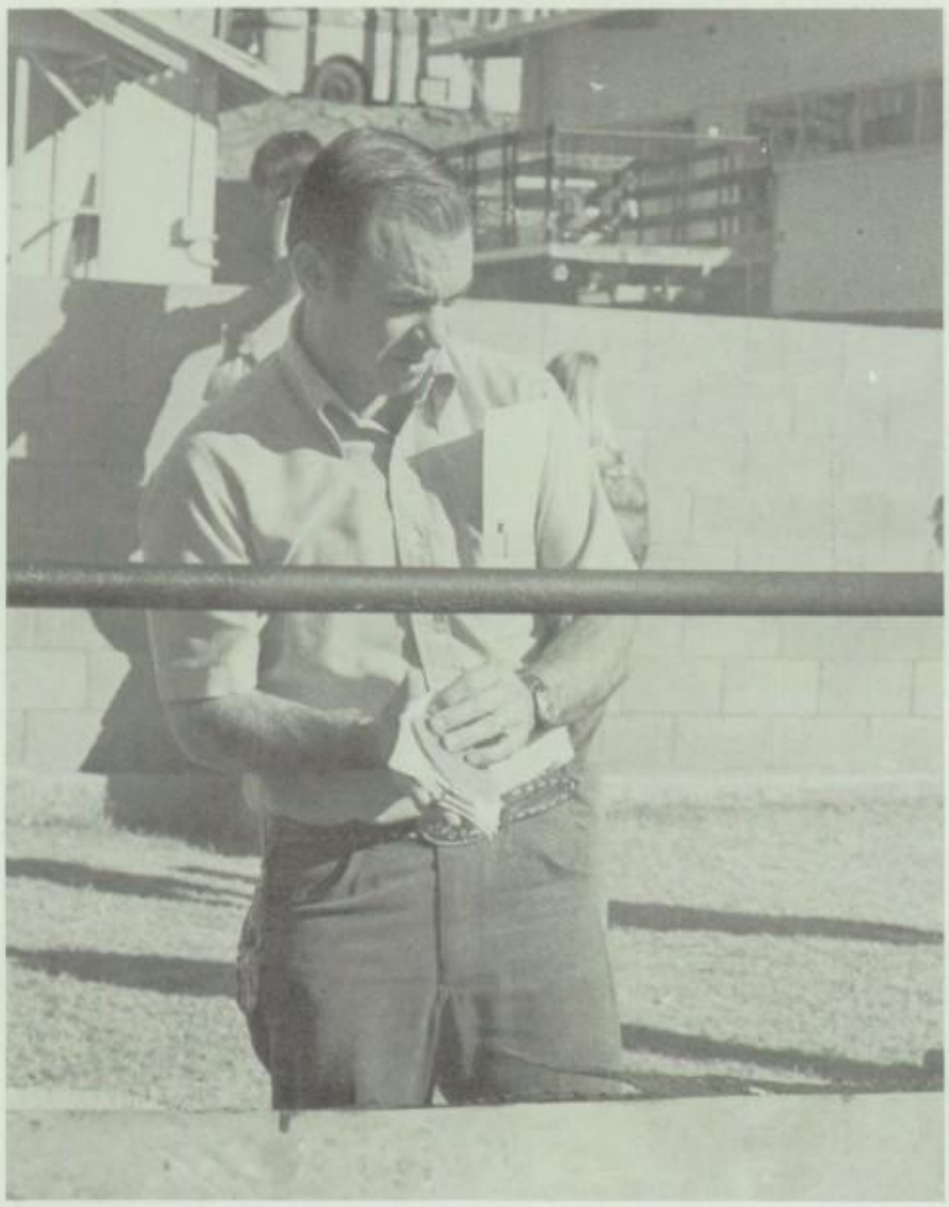
Aggies Believe in The Future Of Agriculture



Aggies, taught by Mr. McRae, learn many important skills such as welding, surveying, pruning, grafting, sheep shearing, Agri-business, record keeping, soils, horticulture, shop experience and livestock identification.

Pictured above is a typical Ag. hamburger sale.

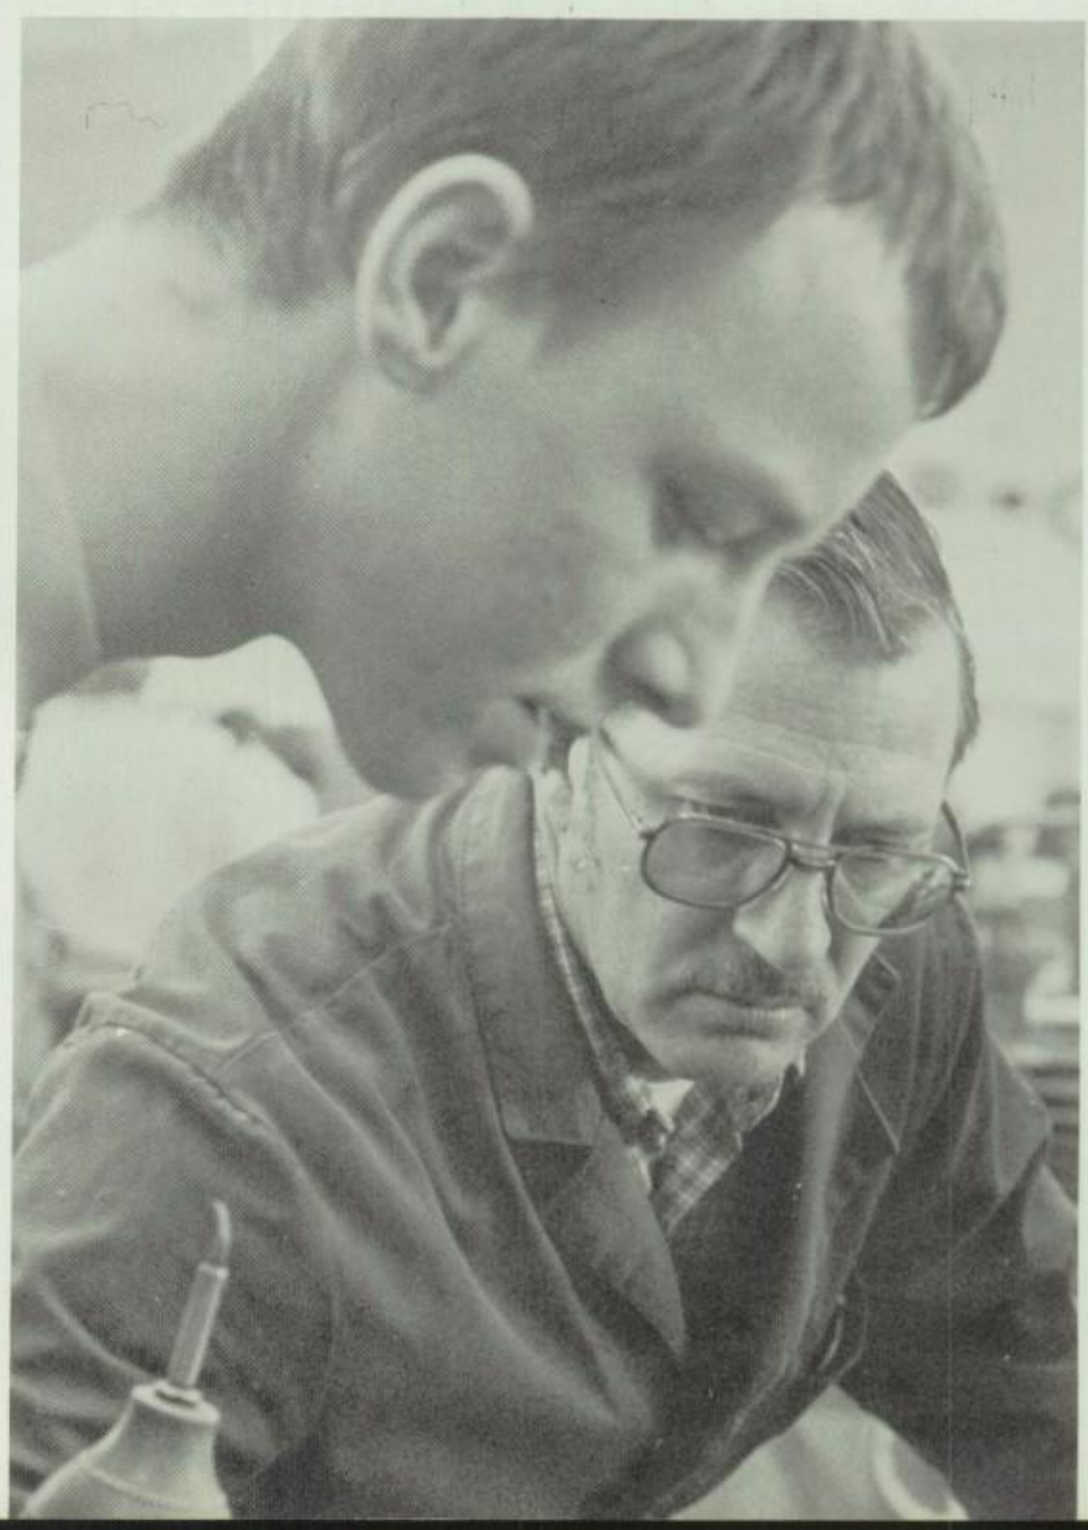
Business Works Toward Tomorrow

This year the students taking business classes have the opportunity to join a new club called Future Business Leaders of America. Mrs. Irene Stout is advisor of the club. She also teaches Typing, Business Ed., Shorthand, Office Practice, Record Keeping, and Basic Business Skills. Teaching Typing, Business Ed., Accounting, and Business Math is Mr. Fred Preuss.

From Students To Homemakers

The Home Economics dept. has new classes to offer this year. Mrs. Charlotte Heitzmann is teaching Food Preservation and Cultural Foods in addition to Child Care, Home Furnishings, and Decorative Arts. Teaching classes in Clothing, Cooking and Consumer Economics we have Miss Westfall. Miss Westfall is also the advisor for Future Homemakers of America.

Industrial Art Students



The Industrial Arts Classes offers students experience and knowledge of special skills for a future in the vocational field. Students learn to work with cars, wood, and metal with the help of Mr. Bassemeir, Mr. Correa and Mr. Johnson. It requires brainpower and technical skill. Many students find Industrial Arts to be a way of expressing themselves.

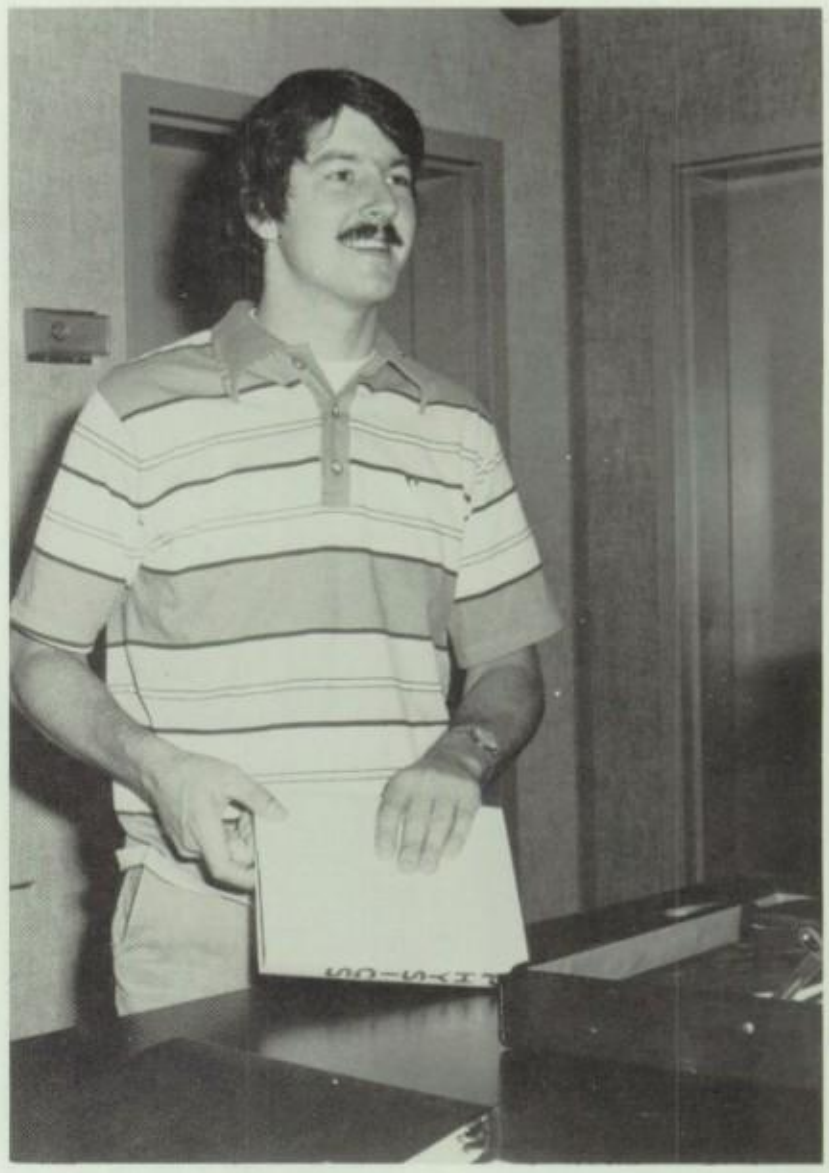
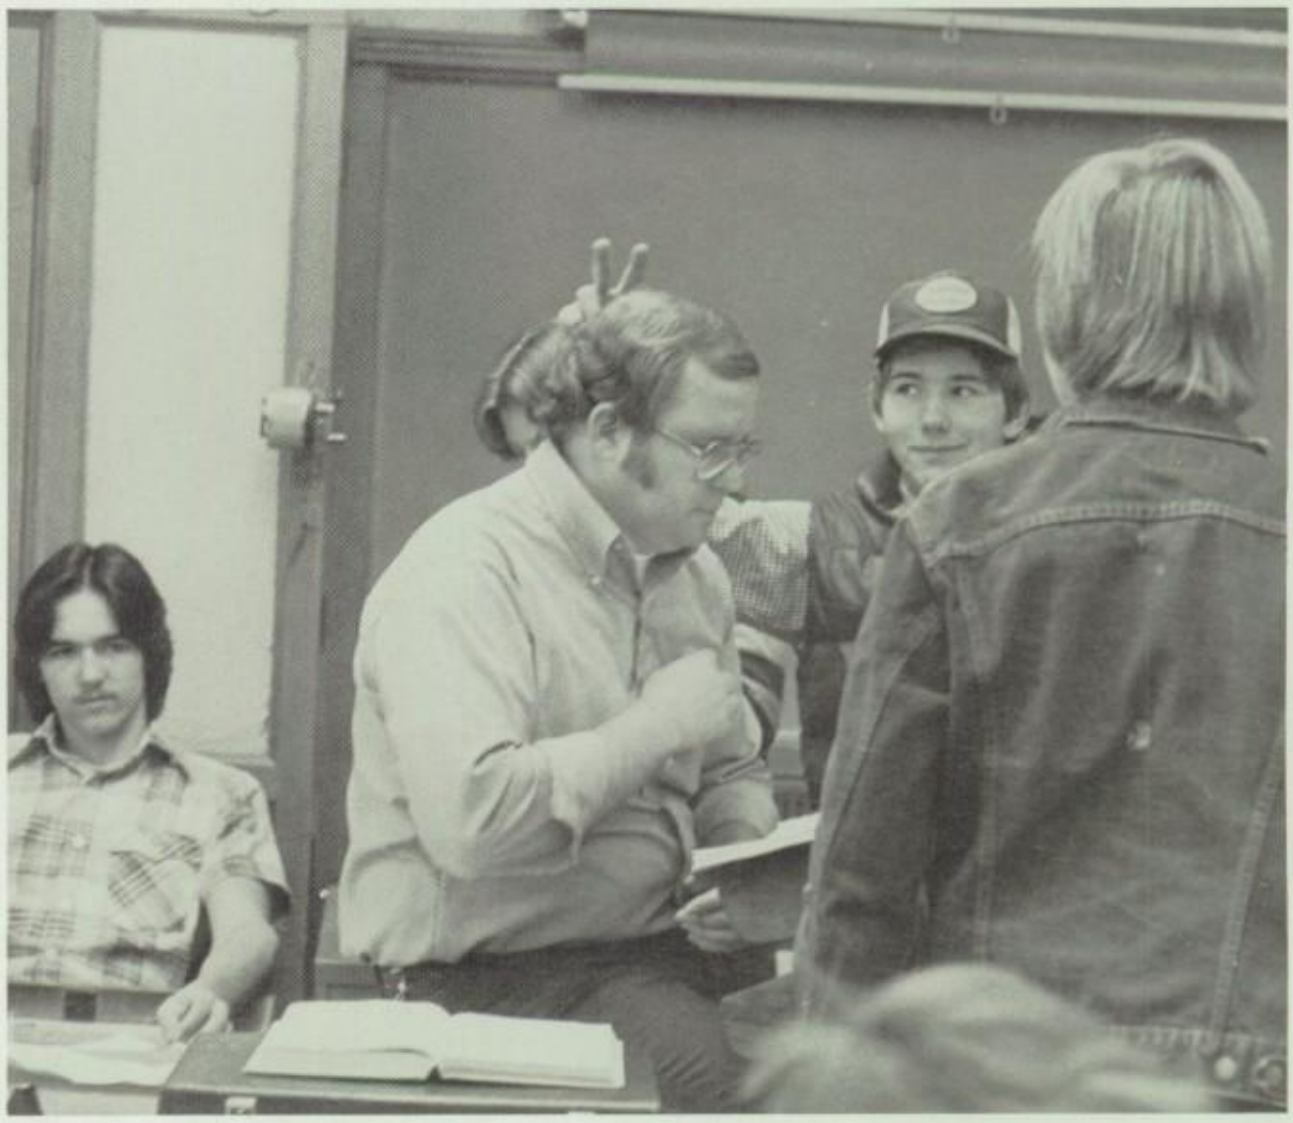
Students and Teachers Get Involved



The math department has a new addition this year. He is Mr. Richard Correa, who also coaches. We also have Mr. Fred Preuss who teaches Business Math and Mr. John Janeski teaching Algebra, Trigonometry, Physics, and Calculus. Teaching Geometry is John Tomsick.



In Math and Science

This year's Science department continues to enjoy their new classrooms to work in. Mr. Lloyd Hobby and Mr. John Tomsick seem to enjoy the rooms as do the students. Hobby is the Biology teacher and Tomsick teaches Physical Science. Hobby is also involved in a summer biology course which the students seem to enjoy. Tomsick has an electronic club and helps with concessions.

Yearbook Staff Works to

There's a lot more to the year book than just the pictures and layouts. For instance, the staff worked to get the $6000 needed to print the yearbook.

Each and every page depends on the person working on that page. The staff and advisor have put in more than ample time to get this yearbook to the degree and satisfaction you expect.

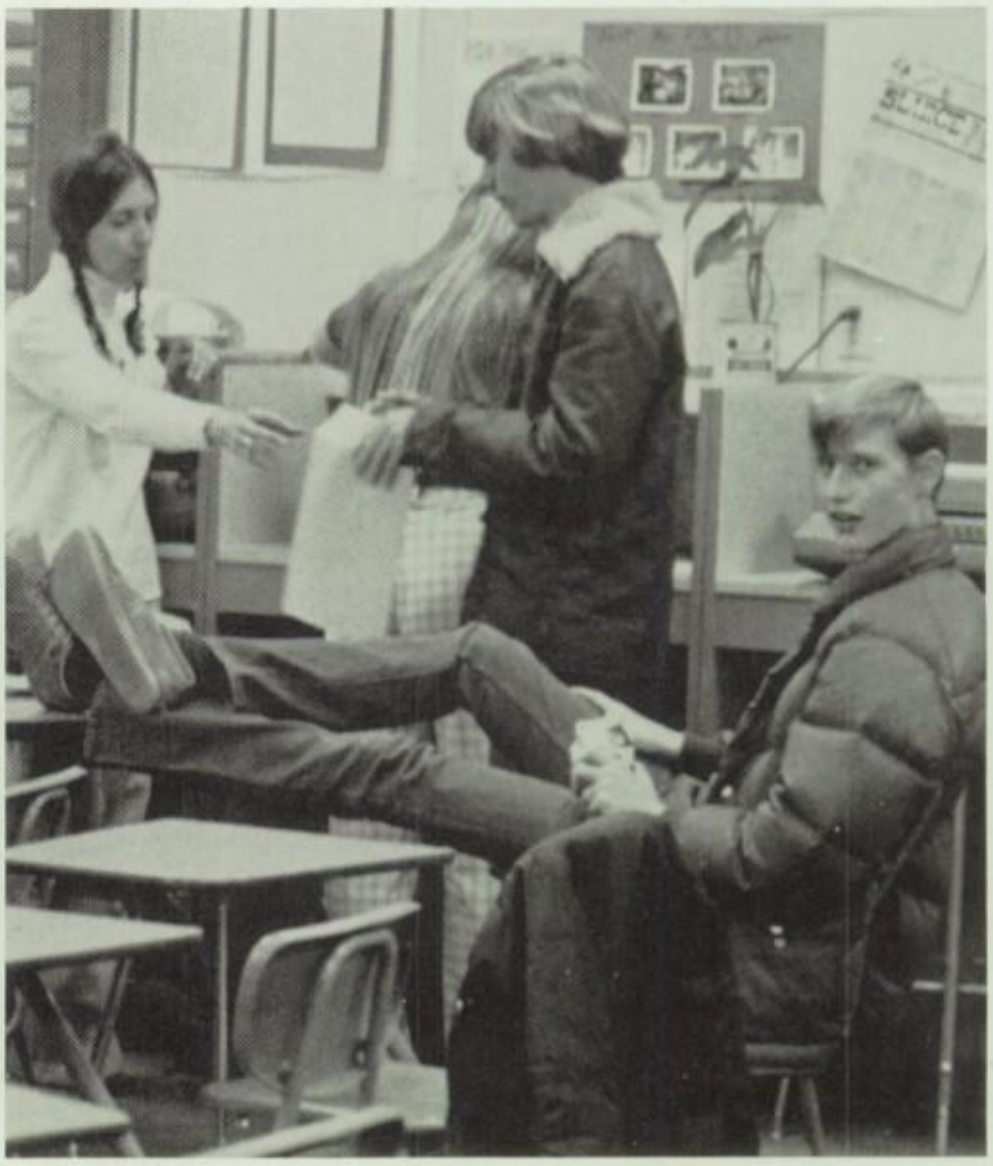
Sluice Staff Claims New Advisor

Mrs. McGregor is the new advisor for the Sluice this year, and the class has undergone some revolutionary new changes. You can now get English credit for taking Sluice because not only do the students work on the paper but they also learn things like history of the press and the technicalities of news writing and reporting. These new dimensions, once fully developed, should make for an informative, more professional school news paper.



Mrs. McGregor Voted Teacher of the Year

Malarky, you say? She really was voted Teacher of the Year. Mrs. McGregor teaches many literature classes to eager students and gives her undying efforts to the Senior Class as their advisor. She enthusiastically is teaching the journalism class for the first time. She makes her students work hard to really understand literature and how to produce a school paper. (Please forgive the staff for your picture. It's very hard to find a picture of a camera shy teacher.)

The MCHS Student Body voted for Teacher of the Year for the first time and the honor really comes from the students. The whole school is proud to offer their thanks for her many years to MCHS and are honored to have her as Teacher of the Year, 1977.

Students Learn and Enjoy Work Experience

Work Experience is a great opportunity for students to learn responsibilities and skills that they could use later on in life. You can get credit and you can get payed while you learn.

MARIPOSA

S-Club and Campus Life Emphasize Togetherness

Campus Life provides students an opportunity to develop a balanced life by encouraging physical, spiritual, mental and social growth. Members participate in a variety of activities including retreats, trips, sports and study groups.

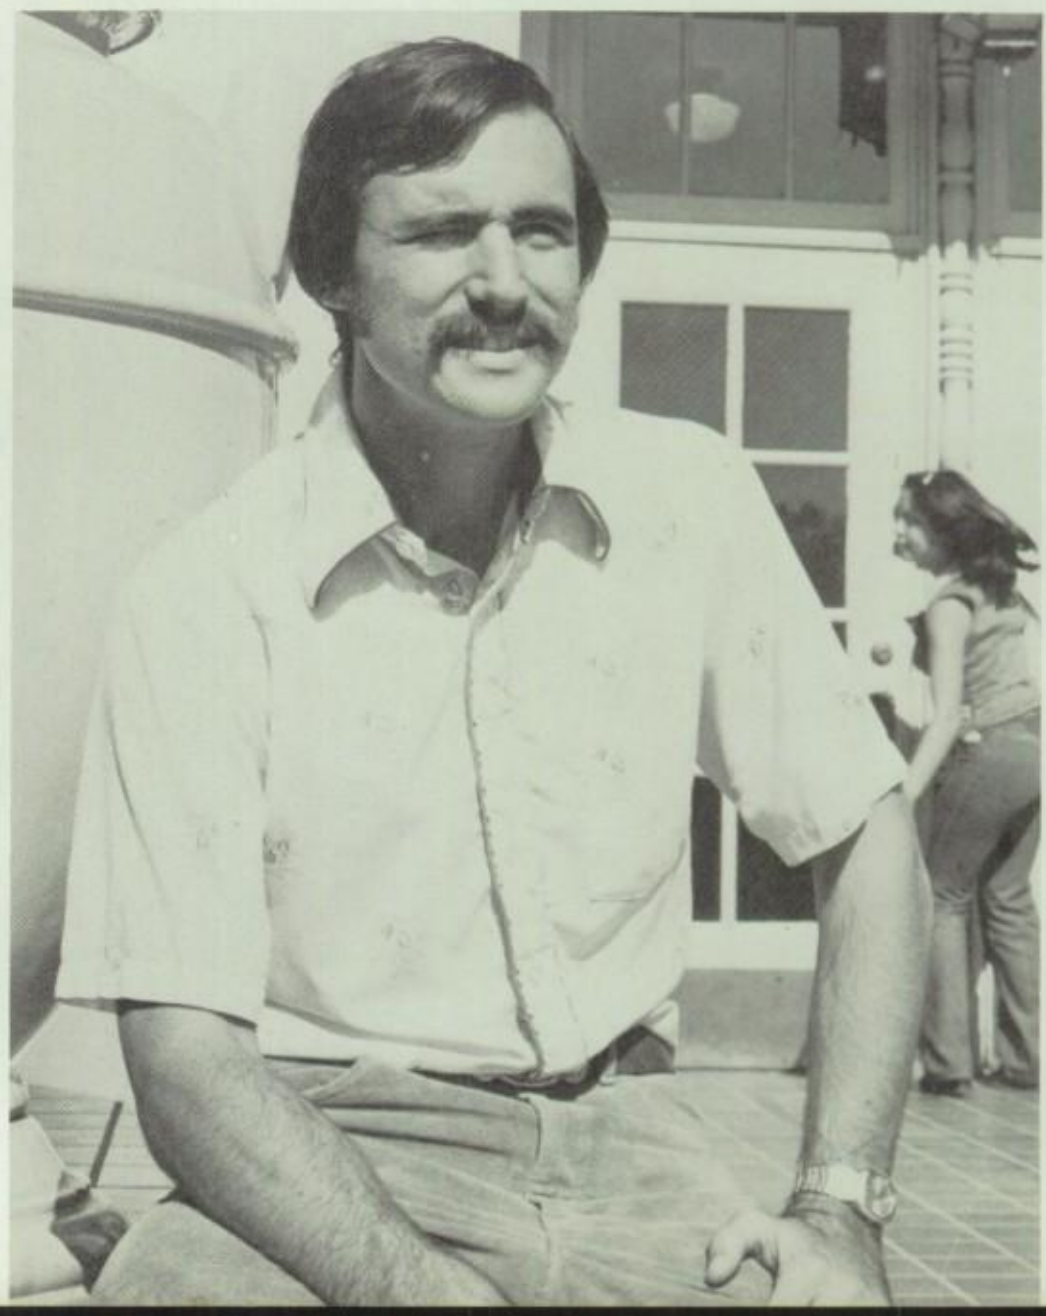
This years officers are: President- Ken Trujillo, Vice President- Vickie Stein, Sec./ Treas.- Jendy Johnson, Congress Rep.- Debbie Pearson, Game Chairman- Rhonda Hawkins.

The S Club is the Service Club. S Club gives bake sales, fashion shows and helps in the Mariposa Manor. The girls are going to Asilomar in March at Santa Cruz. They also help the nurse with school testing for hearing and vision.

Ski Club Saw Trips Postponed - No Snow . . .

SKI CLUB:
The Ski Club members may have been discouraged this year. A drought spoiled most of the scheduled trips for lack of snow. Frank Domingues, president, and Mr. Moore, advisor, even after the dry winter, managed to arrange a trip to Badger Pass. The day was very successful and many of the members wished that there had been more of the same.

FLAG CORPS:
This year Gina Stobb and Kim Perkins, our banner carriers together with Leah Riker, Theresa Penrose, Lynn Pearson, and Lynn Ball, our Flag Corps, worked hard together to perfect their routines with the band. Parade competitions and football games make up their activities.



Flag Corps Added Color to Games

Letterman and Quill and Scroll Clubs

The Lettermans Club, advised by Mr. Hobby, helps to pay for school activities. They also help pay for tournaments, have dances, hot dog sales and help the 8th grade tournament.

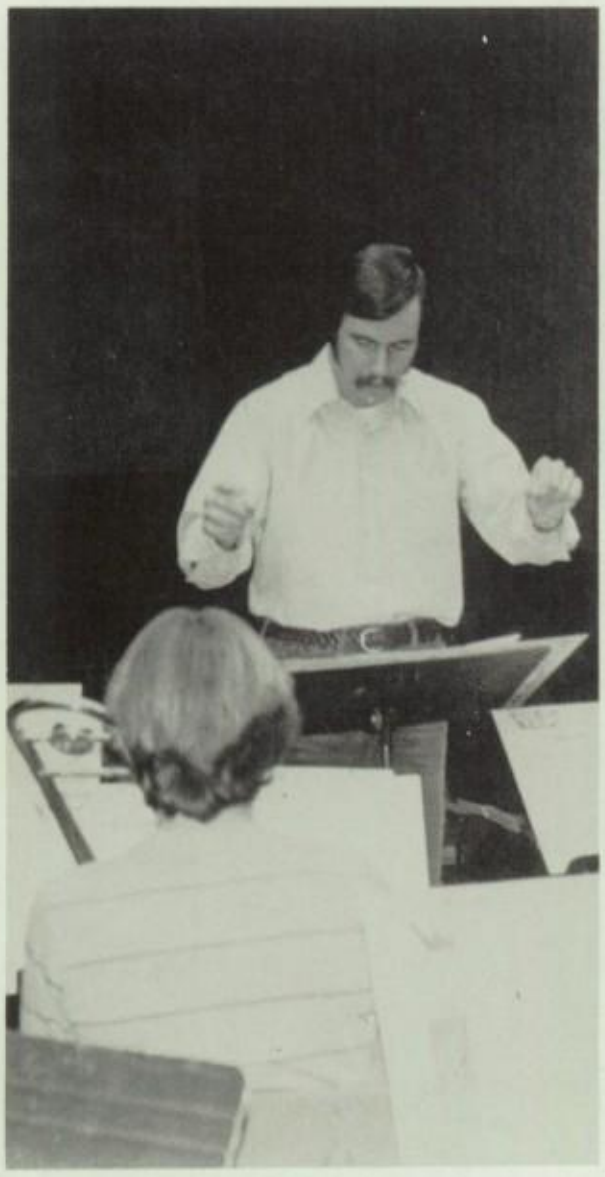
Advisor: Mr. Hobby
President: Mark Ashworth
Vice-President: Marc McNally
Treas/Sec.: Bob Savage
Congress Rep.: Howard Asbury

Are Moving Up

This is the first year that Mariposa High has had a Quill and Scroll Honor Society. This is an International Honor Society for High School Journalists. The club includes people from the school newspaper, the yearbook and the literary magazine. The purpose of the club is to reward individual achievement and mostly to encourage the students. This club has always raised standards in the field of journalism and being a part of the club for the first time is a good experience for Mariposa High journalists.

Advisor: Mrs. McGregor
President: Jackie Lincoln
Vice-President: Paul Ferguson
Sec/Treas: Nelda Jones
Congress Rep: Cherie Haas

Stage Band Provides Musical Experience for Students



MCHS Has a New Native American Counselor

Stage Band allows students interested in music to further develop their musical talents. The Stage Band is a very dedicated group. They put in extra hours before school.

The high school this year has gained a new counselor. His name is Louis Parker and he counsels native Americans at MCHS. He was a graduate of Mariposa High School. We are honored to have Louis as a staff member in Mariposa.

Above: Mr. Williams directing Stage Band, band members practicing. Right: Louis Parker hands over the latest treaty between students and the teachers.

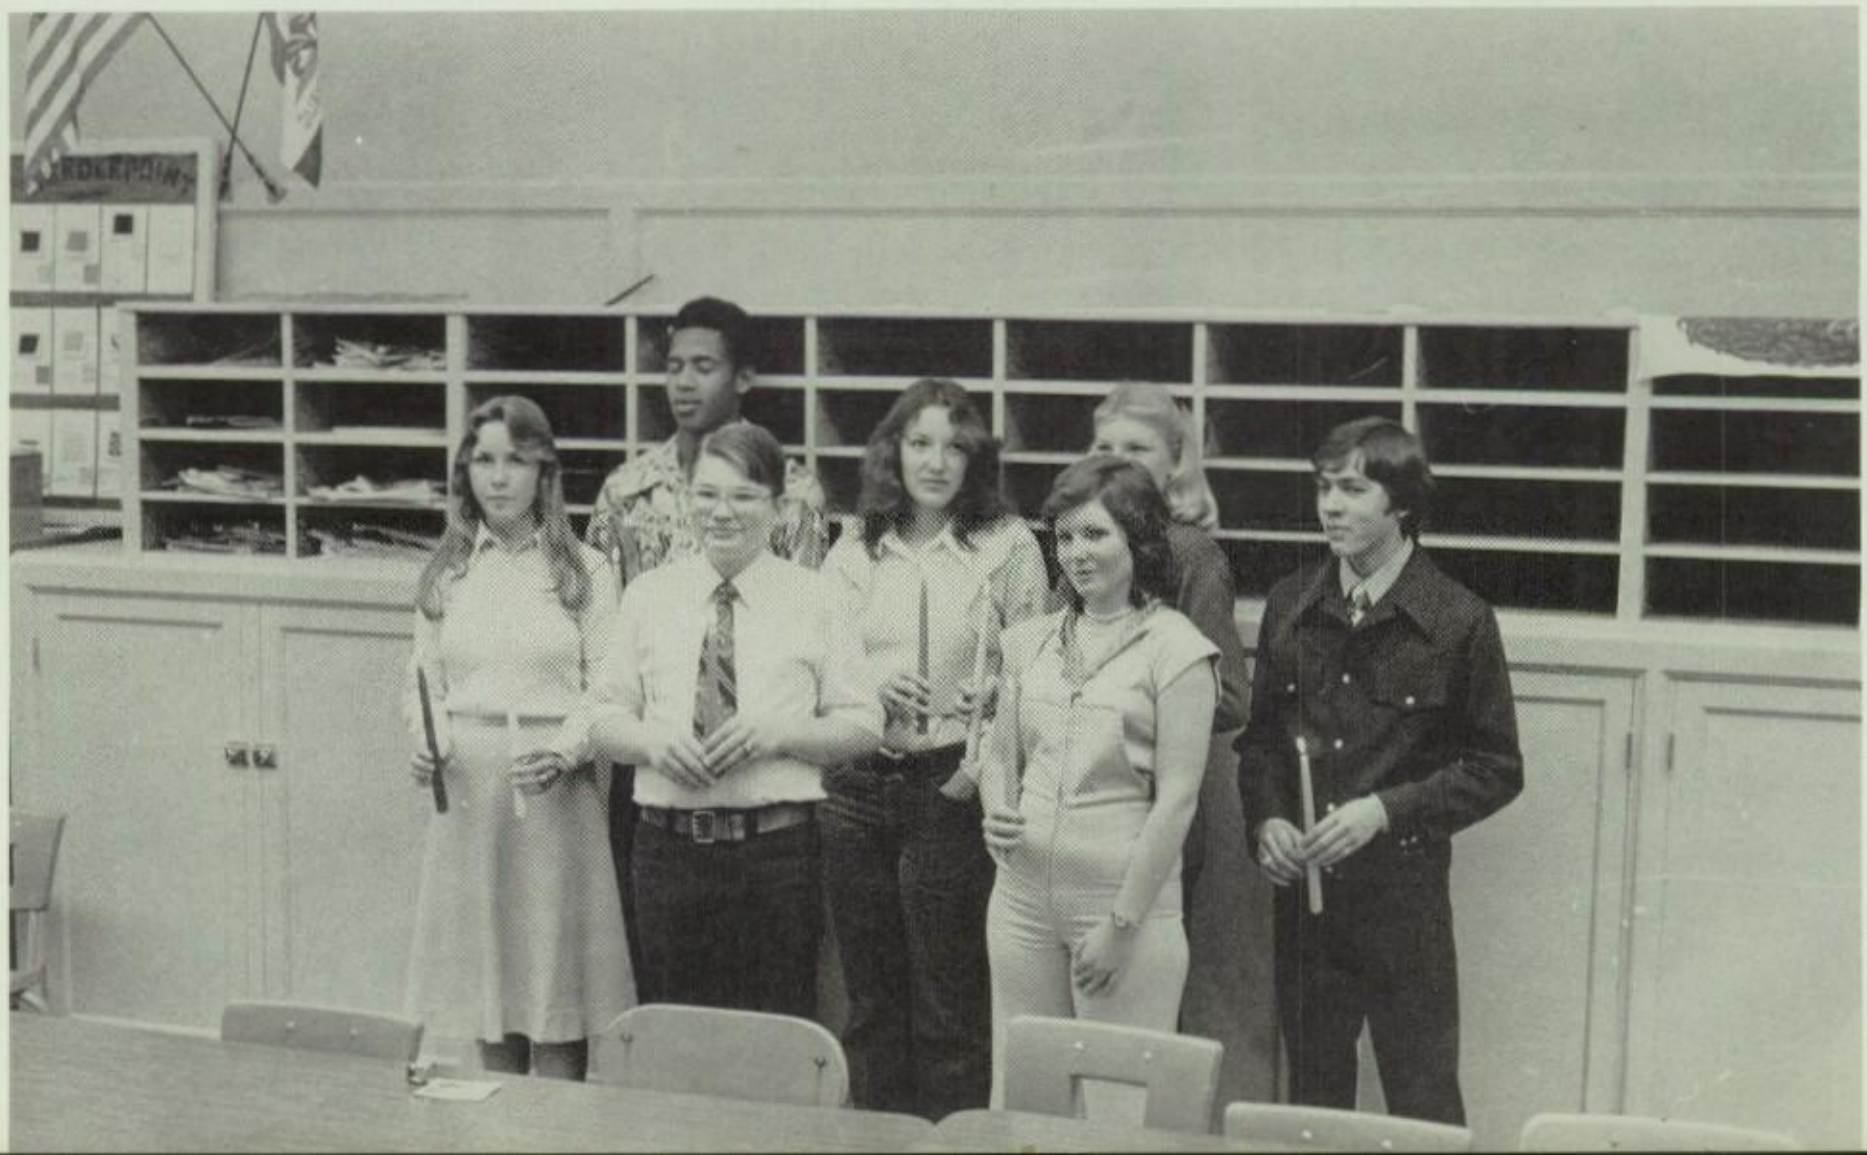
Radio and Drama Clubs Display Talents

Advisor John Janeski and president Paul Kelly worked together with the other officers and members to create the best Radio Club yet. One major function is to give interested students a chance to operate sound systems at school activities, giving them experience in electronics and related fields.

Drama Club, organized and advised by Mr. Jon Turner gives unique opportunities to interested drama students. Scheduled trips to semi-professional play-houses and colleges provide excellent experiences to any member. Skits for pep rallies are also a new addition to their program.

F.B.L.A. - "All The Way"

A Future Business Leaders of American Chapter was formed at Mariposa High for the first time in '77. The Caruther's F.B.L.A. came to Mariposa to install the group with a candlelight ceremony. The club is formed to instill leadership ability, integrity and moral character, and to involve students in school activities and school. Below: members getting installed. Bottom: installment ceremony comes to a close.



Future Farmers Work for Better Agriculture

FFA activities encourage members to learn through active participation. Some of the activities planned by the Marposa Chapter this year to help the members improve their participation and education are: Chapter Farmer and Greenhand Initiation, Leadership Conference, judging contest, Donkey basketball game, entering projects in three fairs and participation in the State FFA Convention.

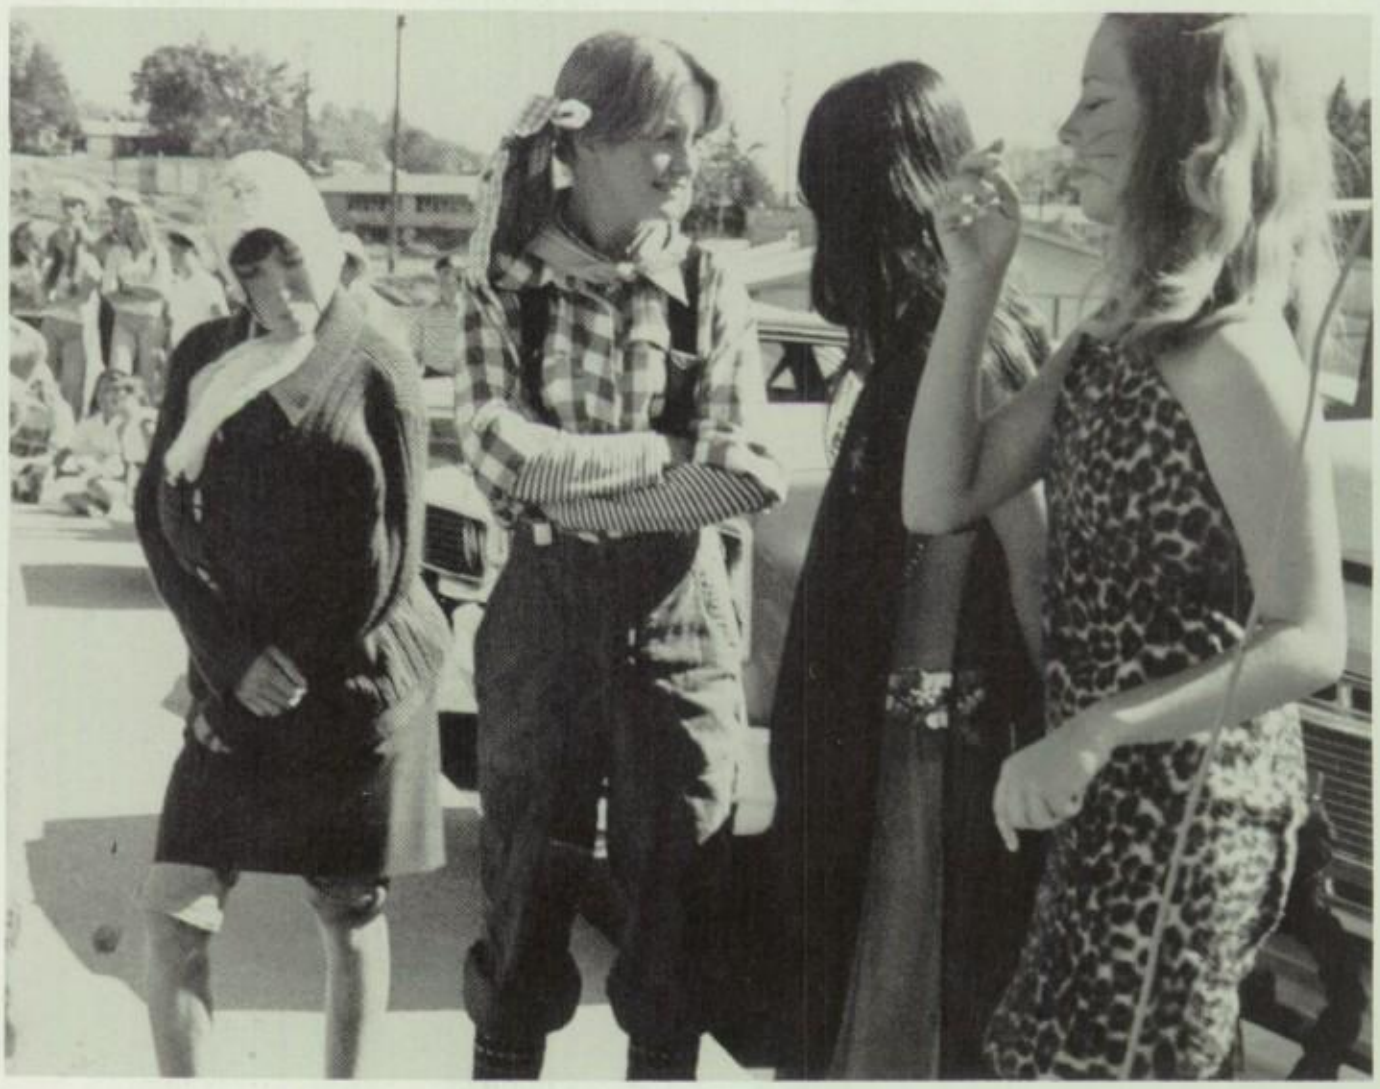
ACTIVITIES

Together Freshmen Make a Successful Slave Day

The Freshman Class of 1980 worked together to make a very eventful Slave Day. They earned over $100 towards their Disneyland trip. Thank you freshmen for your unsurpassed cooperation.



Backpackers First Expedition

The president of the Backpacking Club is Steve Rutland, the Vice President is Randy Beaudoin, and the secretary/treasurer is Cherie Haas. This year the club went to Glen Aulin in October. They backpacked on Sat. and Sun. with a total of 15 people. This is their 1st trip in the 2 years they've had the club together, and they are planning many more trips in the future. Mr. Moore is the advisor and he and Mr. Tomsick chaperoned the Glen Aulin hike.

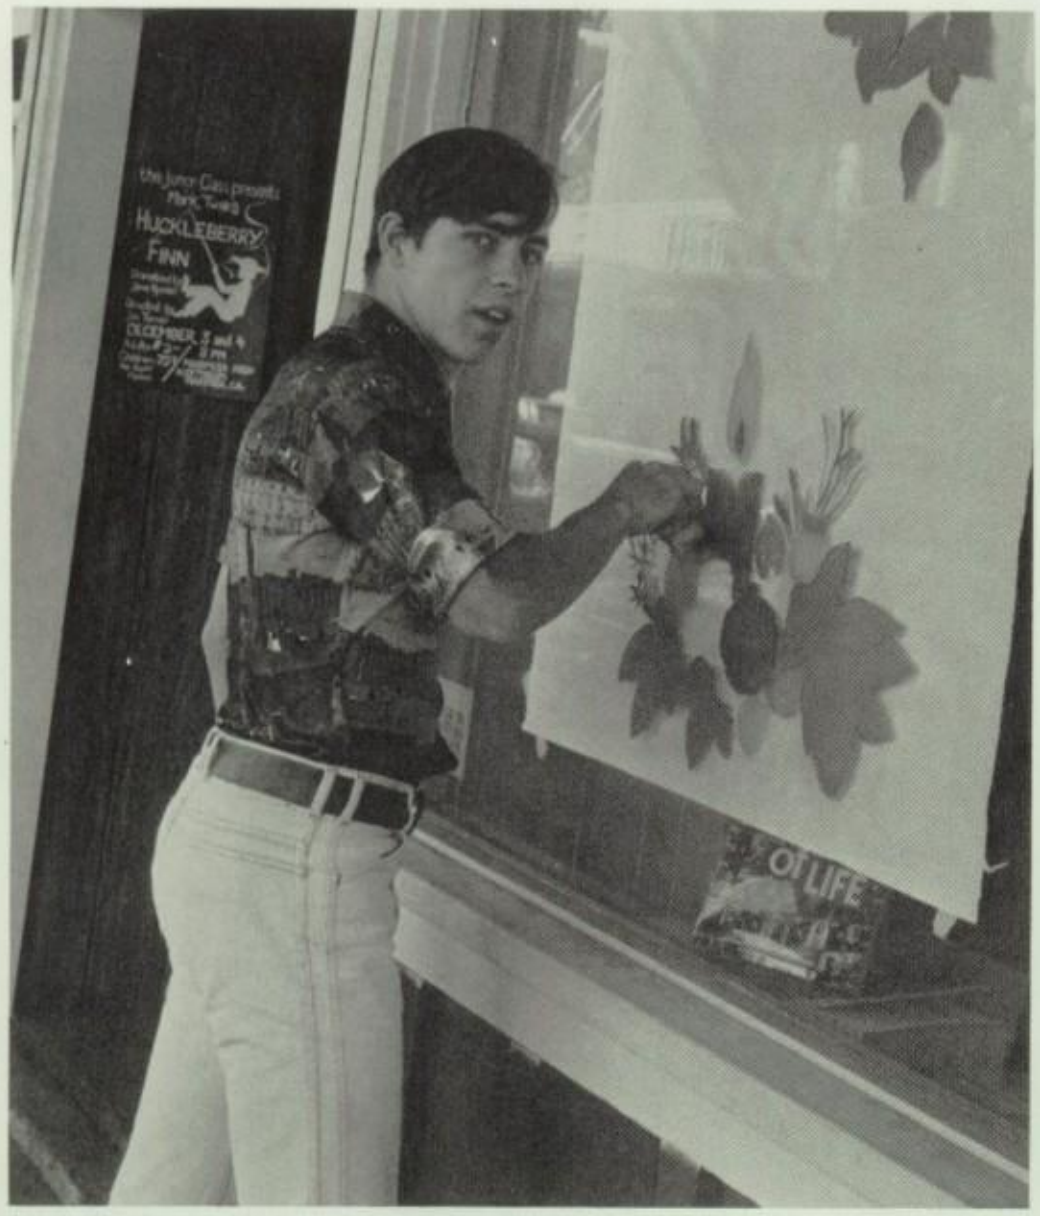
"Crystal Blue" Plays

For Winter Ball

The Winter Ball was held on Saturday, February 15, 1977. It was sponsored by the Mariposa Co. High School Student Body. It was a big success and everyone had a lot of fun.

Art Students Show the Christmas Spirit



Again this year merchants requested that our art students decorate their windows for the holiday season. About sixty students "painted the town" and a good time was had by all. Lots of compliments were heard from local viewers.

New Mascots Show the Old Spirit

This year Karin Brosius and Liz Bergey, have done a lot of rooting. These two girls have put much effort, time, and concern into every game. They help the cheerleaders bring us on to victory.

Mascots liven up the crowds, and put every bit of spirit they can into winning a game. Karin and Liz make us feel proud to have them as part of our "Spirit Team."

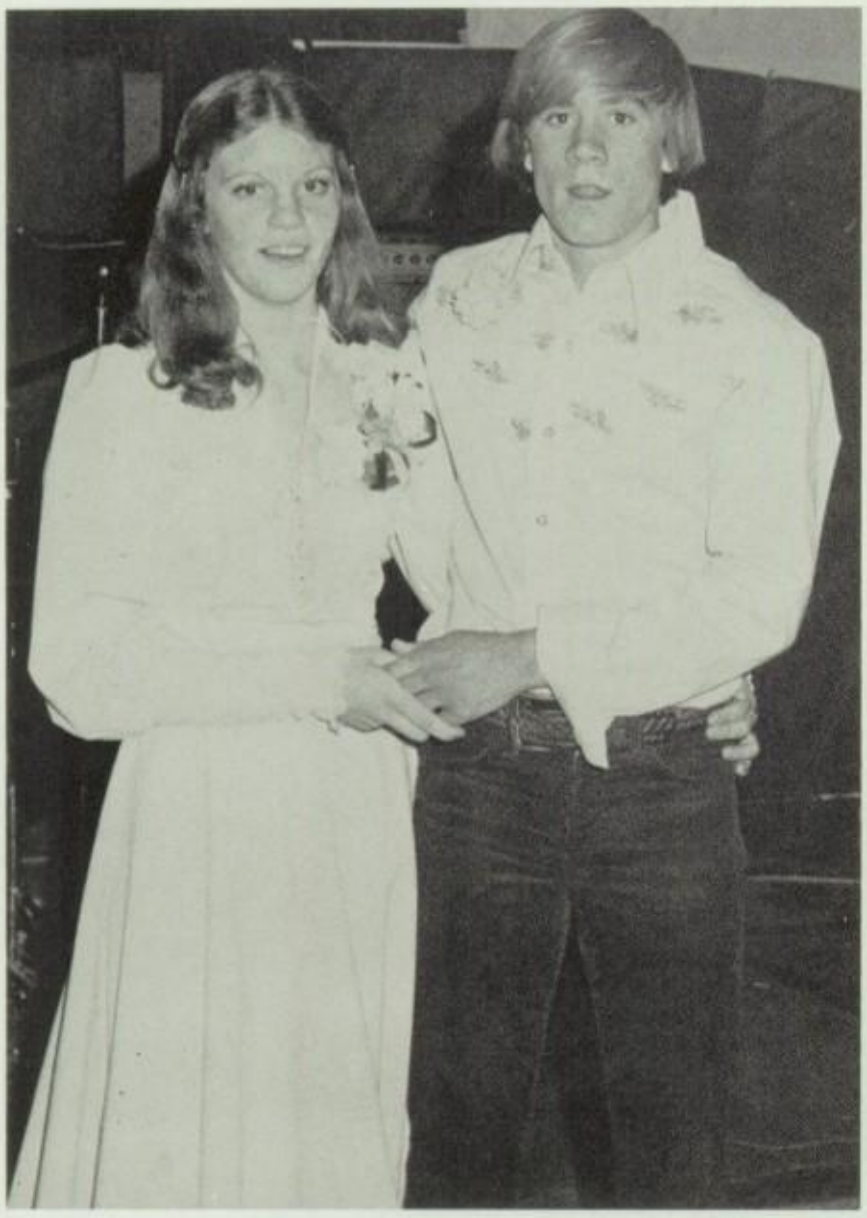
F.F.A.'s Greatest Show on Earth - Donkey Basketball

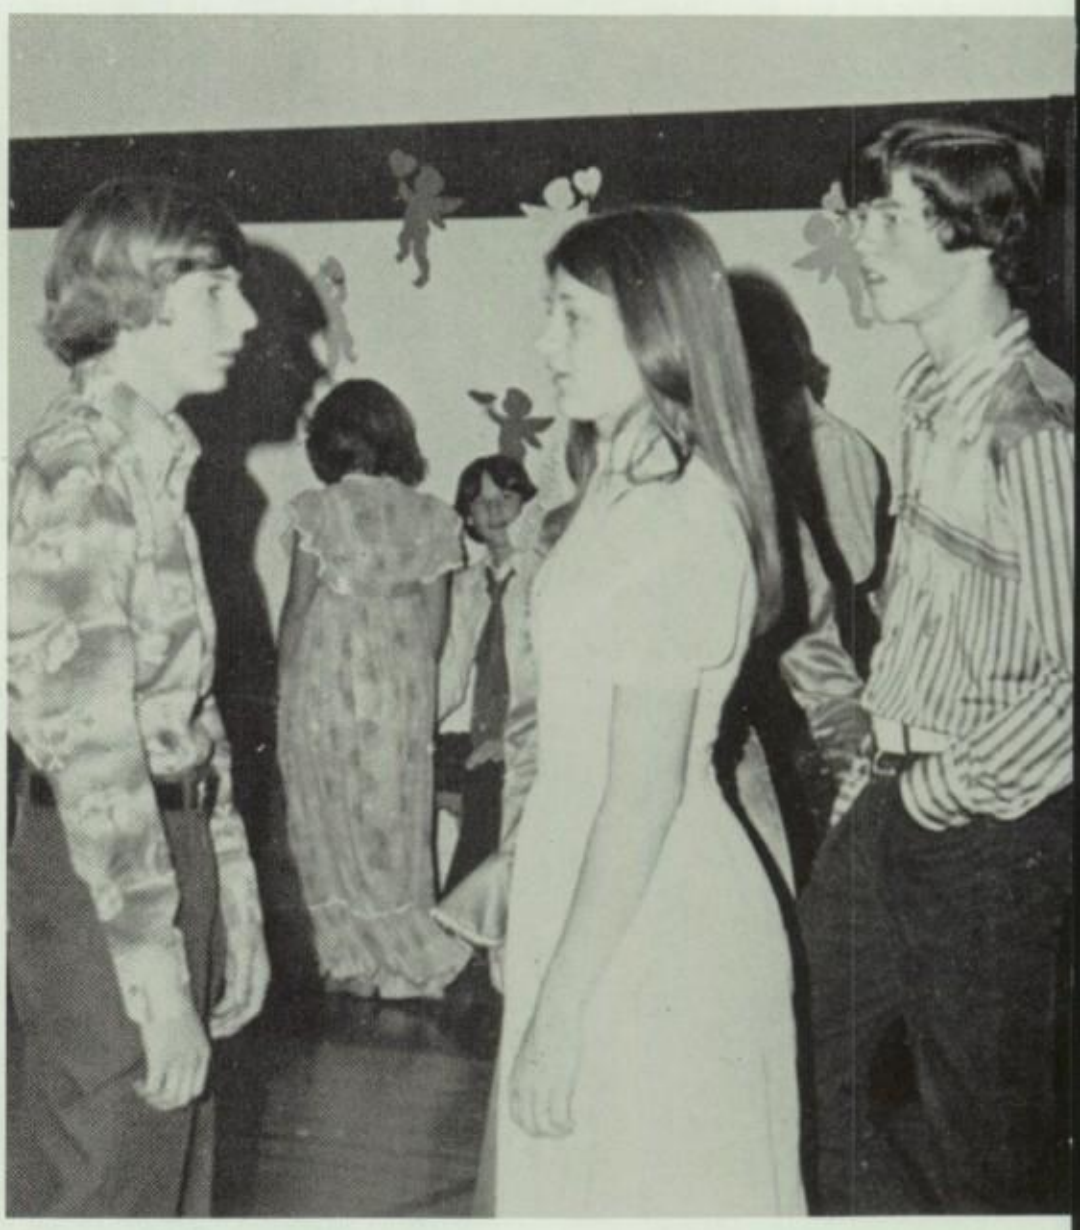
The Donkey Basketball game came to Mariposa on Feb. 24, 1977, sponsored by F.F.A. The donkeys provided a very hilarious night for everyone and a great time was enjoyed by all.

C.S.F. and F.H.A. Prepare Students For The Future

Laurie Carey, Kelie Varnum, Janna Noble of F.H.A. placed at the Competative Recognition Contests in Merced. This was the first time that members of Mariposa had participated in the competition. Laura Carey placed in Speech; Kelie Varnum in Child Care; Janna Noble in Salad Preparation. C.S.F. and F.H.A. provide students with the preparation needed for the future. Academic and Homemaking students enjoy activities with these clubs. C.S.F. Officers: Pres. Paul Ferguson, Cong. Rep. Rod Fiester, Sec. Danielle Carre, Treas. Lisa Abbott, F.H.A. Officers: Pres. Lynn McDaniel, V.P. Lynn Woods, Sec. Sherrie Thatcher, Tresa. Velma Overstreet/ Debbie Horton.

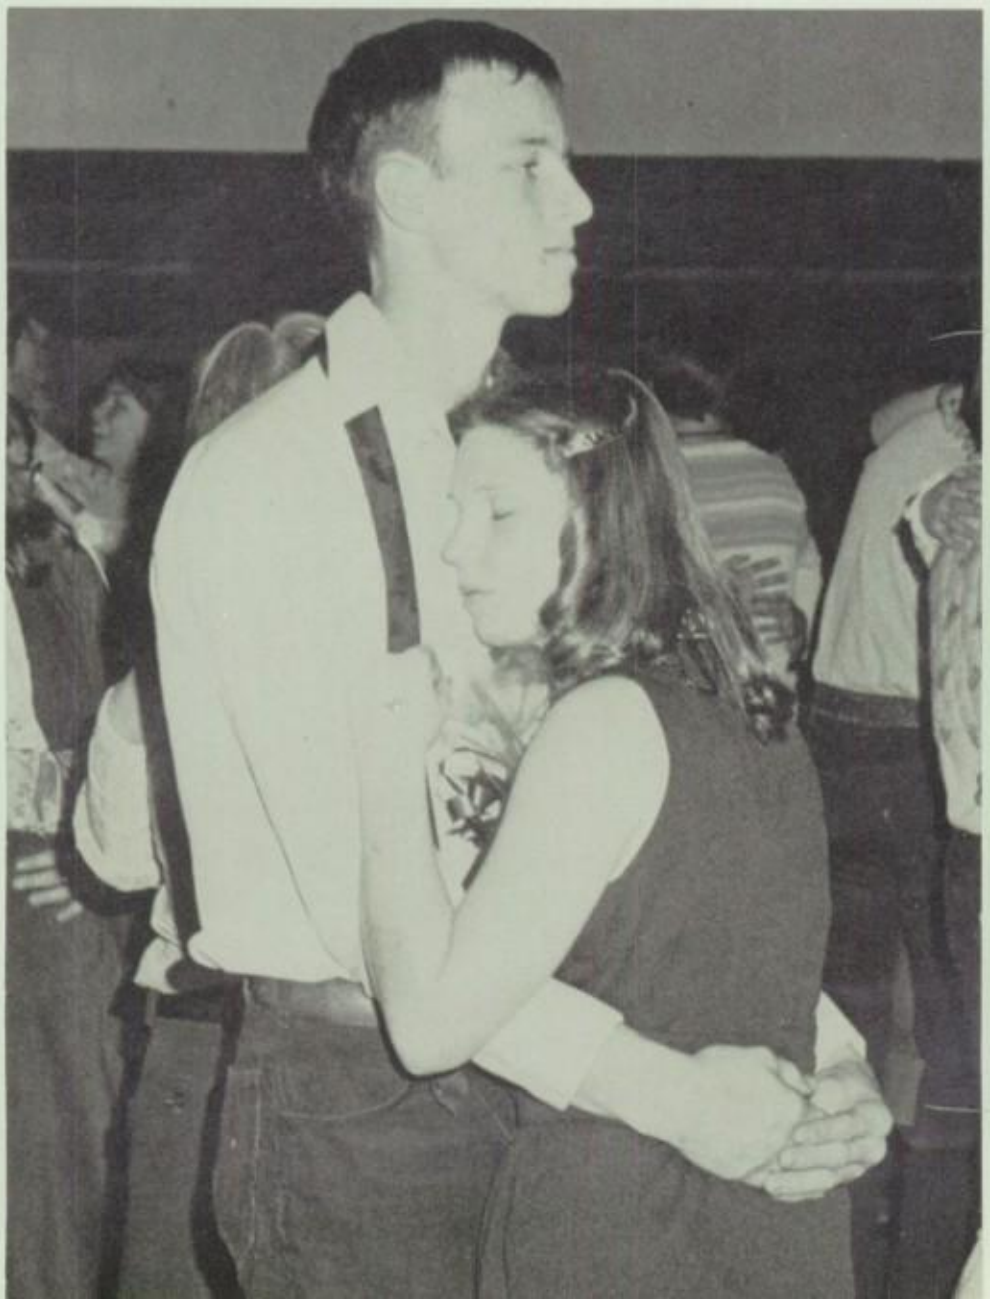
Sweethearts Enjoy Valentine's Dance





This year's Valentine's Dance was reigned over by Peggy Wagner and Neal Billings, the "Queen and King of Hearts." Mark Harris and Mirriam Biggins were the Senior King and Queen of hearts. Alan Morehouse, Sue Wight, Faye Wilkinson and Jim Mueller were the other kings and queens for the Sophomores and the Freshmen.

The "Earful" was the band that played. The FBLA sponsored the dance. It was a very successful dance and enjoyed by all.



Pep Club and G.A.A.

The Grizzlie's Pep Club, advised by Mr. Hays and Miss LaNotte, soon to become Mrs. Hays, promotes school spirit.

Pep Club organizes the Rallies and Paints all the posters. This year, Pep Club belongs to fellows too, like Steve Kobzeff, Dave Peterson, Paul Ferguson, Ken Trujillo.

Pictured below: Steve Kobzeff, V.P.; Miss LaNotte, advisor; Nancy Bassemeir, Treas.; Jan Jones, Pres.; Karin Brosius, points; Carri Haas, Sec.; Mr. Hays, advisor.

Promote Athletic Spirit

The Girls' Athletic Association, advised by Miss Hertz and Miss Solomon, helps to involve girls in many sports such as volleyball, basketball, softball. New this year is the after school sports for girls who come out.

Pictured at left: Miss Hertz, advisor Pres.: Julie Harders V.P.: Cherie Haas. Sec.: Sue Noel, Treas.: Rhonda Foley, Miss Solomon, advisor.

Leadership Camp - Great Experience

The weekend of March 25-27 saw 50 Mariposa students attending a special leadership camp at Camp Green Meadows in Fish Camp. Our school's first Leadership Camp was a huge success. Students and teachers also attended from Livingston, Chowclilla, San Joaquin, Selma and Coast Union High Schools.

Guest speakers, Lloyd Hobby and Mr. Phil from New Orleans fired up listeners with new ideas, enthusiasm and good positive attitudes to promote future leadership.

Mrs. Eppler and her Leadership class voted it a perfect camp and hope to have more schools, students, and teachers attend next year.

MCHS Visited by Accreditation Committee

Evident pride in the school, good rapport between staff and students, and the general "positive attitude" of the faculty, staff, and students were among the commendations of the accreditation committee that visited our campus March 21-23. The accreditation committee, made up of a superintendent, a vice-principal, a teacher, a State Department of Education specialist, a college professor of education, and a high school student visited and studied our campus in depth.

After studying the accreditation report compiled by all involved in our school, the committee drew its own conclusions from three days of observations and interviews with administrators, teachers, and students. Commendations and recommendations resulted from this study, and the final report and length of accreditation awarded by the Western Association of Schools and Colleges was published.

Lisa Abbott (top left, center), chairman of the student committee, is shown confering with the visiting accreditation committee.

The Grizzlies started out the season this year with four wins in a row, two of them shutouts. Taking a 2-0 standing into the start of league play, the Grizzlies defeated Ripon with a score of 28-0, then defeated Oristimba at a score of 7-6. Even with this fiery start, the Grizzlies could not overcome the penalties that were to plague them for the rest of league play. They finished out Southern league play with a 2-4 record. The Grizzlies were the only team to beat league champs Ripon. The Grizzlies are looking forward to next year's season.

This years J.V.'s were great although their record did not show it. At the beginning of the season they started off red hot by taking their first three games. After losing two in a row to Orestimba and Gustine, they came back to tie Hilmar. They then lost to Denair and came back to win their final game with LeGrand. They finished the season with an overall record of 4 wins, 3 losses and 1 tie.

They displayed teamwork even though there were some individual standouts. Carl and Alan Morehouse supplied the one-two punch on offense with Keith Williams as quarterback.

Next year there will be quite a few returning players who should contribute to a successful season.

The players would like to thank their two new coaches for a job well done and wish them well next year.

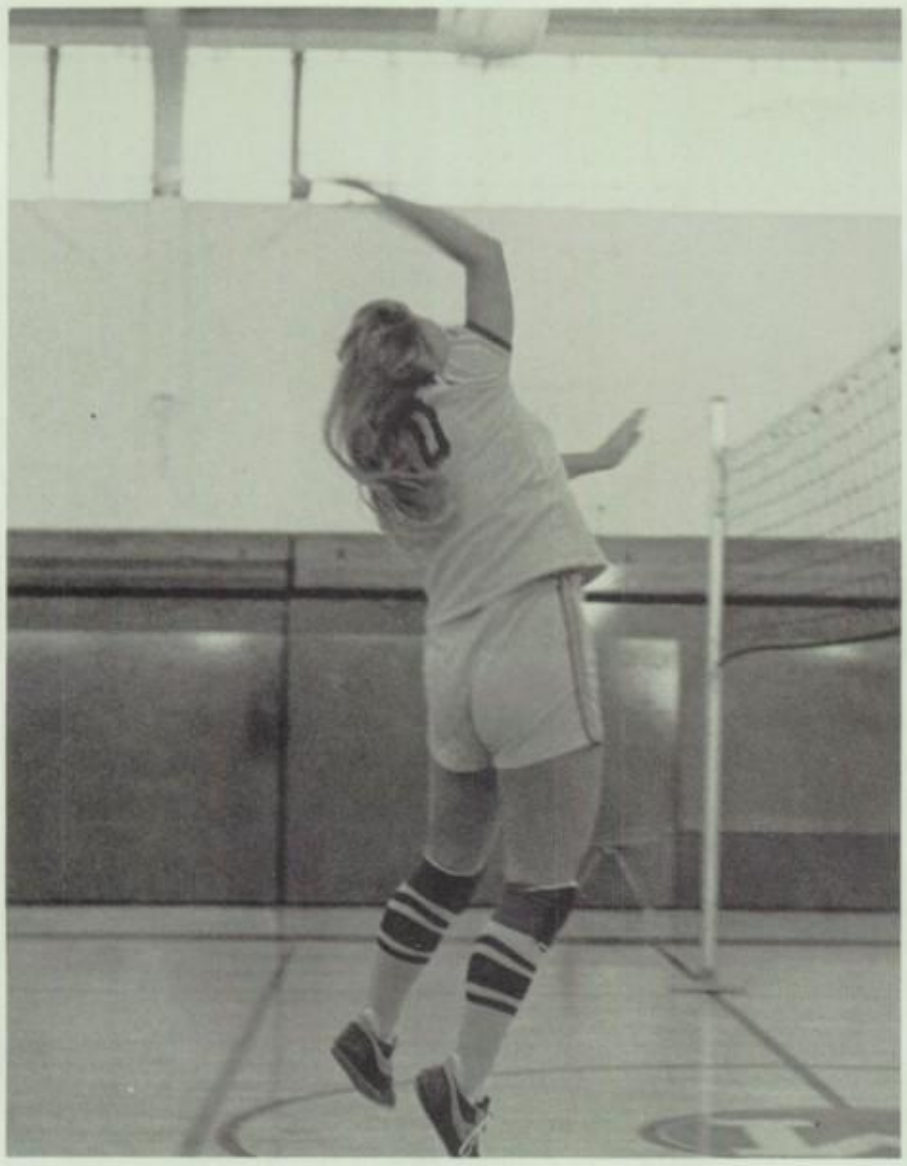
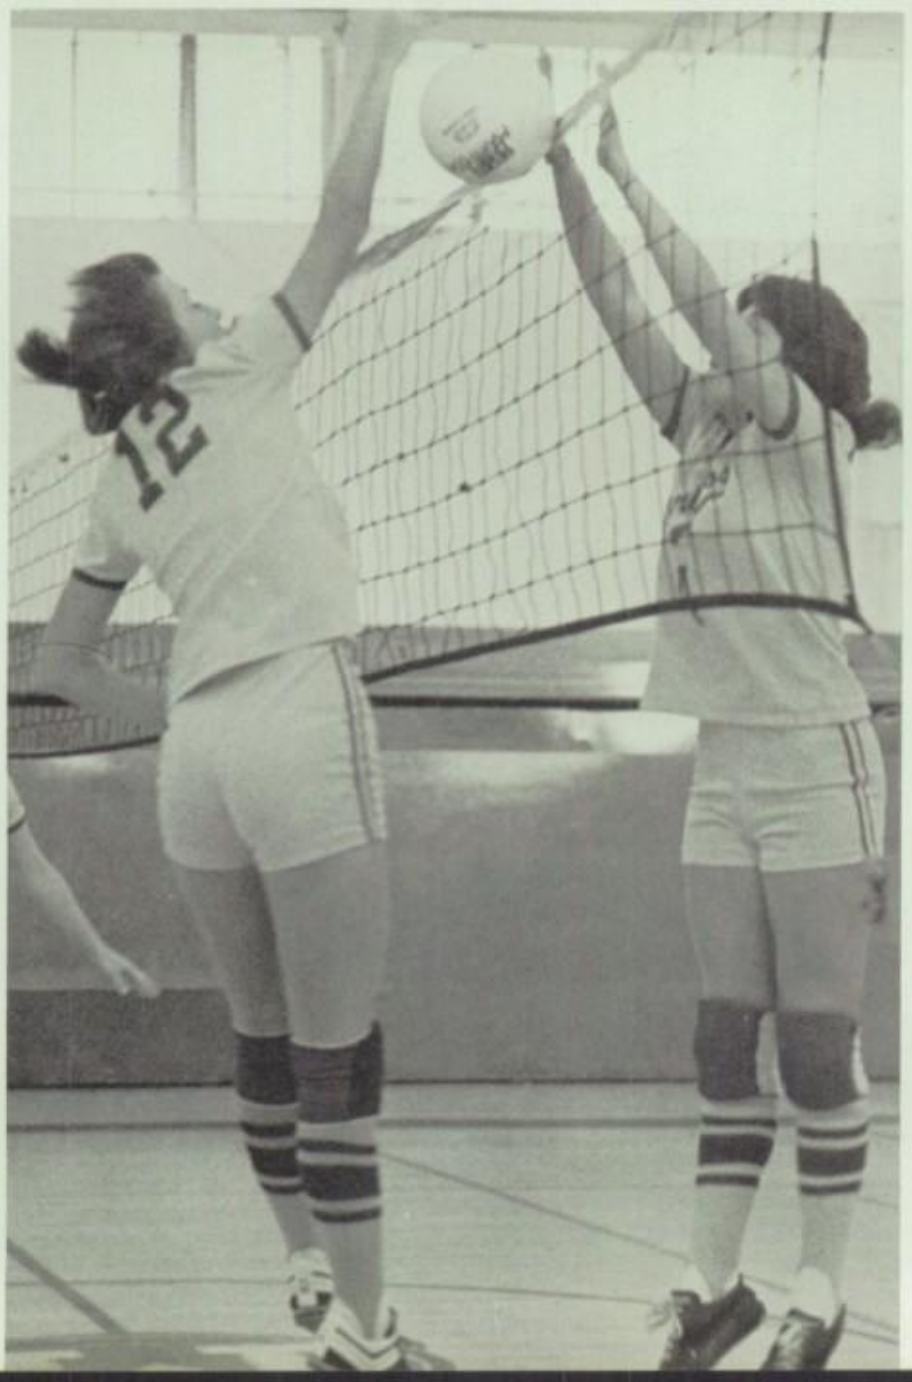
Our Girls - Third Year Southern

League Champs





The Grizzlie Girl's Volleyball Team took the Championship for the third year in a row. The girls had an outstanding season with just one league loss. In the beginning of the season the team won first place in the Atwater Tournament. This was a great booster to send them off to the Sectional Tournament at the end of the season. The coach and the girls all felt it was a great season.

J.V.'s took 2nd in league with a record of 11 wins and 3 losses. The team is looking forward to a first next year, with the more experienced coaching of Fran Solomon.

"77" Grizzlies

This year's team was characterized by a strong team unity and a deep concern for one another. They suffered with misfortunes in losing players through illness and injury late in the season. The players still reflected strength of character through continued competitive spirit while under stress conditions. The Grizzlies placed 2nd in the Los Banos tournament. They won the consolation prize in the Tahoe Tournament. Their overall record was 16 wins and 10 losses against the other high schools. This is the 4th best record in the history of the school. The league score was 6 wins and 8 losses.

Individual achievements are as follows: Mark Ashworth was selected on the Southern 1st team. Most valuable player at Los Banos tournament. Mark Harris made a new record with 99 assists. John Reynolds and Marc McNally got honorable mention in all-conference.

The season should be considered a success in light of the complete year with many team and individual successes.

Both the J.V. and Frosh teams played a great year. Teamwork was essential. Although the J.V. didn't do as well as they had expected it was a great season. The freshman won the Tri-Champ League Award. Both teams should be commended for their dedication and hard work.

L to R: Coach Church, Norman Gann, Bob Dewhurst, Rusty Bowden, Ken Trujillo, Todd Gibson, Eric Clay, Rusty Marks, Carl Morehouse, Mas Cramer, Richard VanderKarr, Barry White, Mike Johnson, Yancy Hopper, Ross Carroll.

This was a good year for the Grizzly Grapplers. They finished fourth in league play with a 3-5 record (their overall record was 8-6). The Grizzlies went to three tournaments; placed in all of them, and individuals won a total of 19 medals.

The Grapplers finished seventh at the Hilmar Tourney and won four medals; they placed second in the tournament at Livingston and won eight medals at the league tournament, the Grizzlies finished fourth with seven medals. Medal winners this year include: Mas Cramer, Carl Morehouse, Yancy Hopper, Ross Carroll, Eric Clay, Ken Trujillo, Rusty Bowden, and Bob Bustamante.

Cramer and Morehouse finished first in League action in the 165 lb. and 175 lb. classes, respectively. Hopper finished second in league with Carroll, Trujillo, Clay and Bowden finishing third in their divisitns.

Cramer, Morehouse, and Carroll advanced to the subsection.

The two league champions were ceded sixth in their weight divisions at the Subsections which included 21 other schools. Moorehouse placed sixth while Cramer placed ninth; this was a first in the history of Mariposa County High.

At the end of the year there were 18 wrestlers on Coach Dan Church's squad. Church stated that this was one of the best years ever for 'Posy High wrestlers, and the winning attitude would help to build up next years squad. Church also said they had a lot of support during home matches.

This space dedicated to the
great seniors of the class of '77 . . .
from your senior photographer

JOE O'GORMAN

Reserved for
senior signatures

A special kind of craziness and dedication goes into a yearbook. It's a kind of craziness that gets things done and also lets you laugh.

I give a special thanks to Cherie and Sharon for their so much extra time and enthusiasim. The whole staff has earned a very big thank you for their hard work.

Of course it all couldn't have been possible if it weren't for Rusty, Willis, Brian, Leroy Radanovich, Jack Gould and especially Richard McRae and O'Gorman for their pictures that captured the year so well.

I believe that Mrs. Skelton has gained a new hope that there actually can be such a thing as organized craziness.

Without the people this whole book could not have been made. It's the people that make you want to come back again next year.
